Re: Motion For Relief From Co-Debtor Stay filed by Rhonda W. Bagshawe on behalf of Lake Gaston Supply Company Inc.

The referenced document has been filed; however, it is deficient as noted below. Failure to correct the deficiencies by November 30, 2009 , may result in the court assuming you no longer desire the relief requested and entering an order denying or dismissing the requested relief.

The exhibits referred to were not attached or were not consistent with the motion.

A proposed order granting the relief requested was not submitted as required by Rule 5005-4(4).
